

BMW LOVERS

There is a group of BMW Owners/Lovers in Hawaii that enjoy getting together to talk about cars and show their enthusiasm for BMW's. It doesn't matter what car you drive, if you enjoy this type of comradery please feel free to join us.

We meet a couple of times a month for Coffee & Cars at different locations. The second Saturday of each month is a morning meeting from 8AM until 10-11AM. We also have an evening get together during the week, as many people can't make it Saturday mornings. This starts pau hana, around 6PM to 7PM and lasts until everyone goes home.

We also try to take a cruise once a month or so. We will meet at an agreed upon location and take a civilized drive to the North Shore, or another location for lunch, sightseeing and what ever else we can work in. These cruises are family affairs so wives, kids or girl friends are invited. We always encourage safe, conscientious driving. We want the day to be a joy to remember and not marred by tragedy. You can see some of these meetings and cruises by going to <http://bmw.billingsley.net.com>.

You can find us chatting and planning these occasions on Bimmerforums. You get there by going to <http://forums.bimmerforums.com> and then scroll down to the section on **Regional Discussions and Events**. Then click on the link for **Hawaii & Other Islands**. This is a free forum and all you need to do to join in the discussions is to register. You will need to select a user name and password, and then you are free to join in the chatter.

Please join us if this interests you. This is a very knowledgeable group of people that are ready to give of their time and expertise. If you are having a problem with your car, and need help getting it running at its optimum, someone on the forum can probably help.

Most of us are also members of BMW Car Club of America-Hawaii Chapter and we welcome new members to our organization. If you're interested, or just want more information on events, contact Ed Billingsley at ed@bmwccahawaii.com.

If you don't have any interest in these activities, I apologize for taking up your time.
